April 15th, 1915

President R. A. Parrock,

University of Bishop's College,

Lennoxville, Q.

Dear Dr. Parrock:

I am very sorry that Tuesday, June 1st, will not suit you for the Conference. Can you send another representative for your University ?

I have taken note of the subject that you mention, "Halls of Residence and their basis of rules", and I will see that it is placed on the programme.

Yours sincerely,

President.
